This, in addition to dedicated, well-trained staff and a safe, stimulating environment, make Giggle and Grow Child Care the best choice for children and parents.

"Parents need a place that they can trust, with well trained, dedicated, caring staff, age appropriate activities and a safe environment for their children to grow and develop. Giggle and Grow Child Care is that place. Children are given the opportunity to explore and learn about themselves and the world around them with guidance and support from our exceptional staff. Parents are able to see this for themselves anytime through an innovative internet viewing system with cameras in every classroom. Finding quality child care is one of the most important things parents can do for their children. I know firsthand how difficult it can be to leave your child to go to work. At Giggle and Grow Child Care, parents can see for themselves that their child is in the best possible environment while they are away."

Curriculum

At Giggle and Grow Child Care, we focus on the needs of very young children. Research proves that the years between birth-six are extremely important to the overall development and healthy growth of a child. We pride ourselves on being aware of the very latest in research and development in regards to early childhood education. We use this information to develop a curriculum that is age appropriate in all classrooms.

Cuddle Bugs: 6 weeks - 12 months

Our infant program ensures that babies receive the personal one on one attention that they need to develop trust for the world around them. Infants are held, cuddled, talked to and sang to throughout the day. We work closely with parents to develop each infant's daily schedule. Flexibility with infants is key and our staff understands and appreciates this fact. Parents are kept informed of their child's activities through a daily sheet that shows meal and naptimes, activities, and their child's likes and dislikes.

Caterpillars: 12 months - 24 months

When children begin walking alone they graduate to our Caterpillar Room. At this age, children develop a greater independence, but still have a strong need for one on one affection and attention. Young Toddlers are encouraged to explore and discover new things with guidance and encouragement from staff. At this age, a more structured schedule is also introduced. This helps children feel more secure by providing them with a sense of time and expectation of things to come.

Our Caterpillar room is equipped with the latest in age appropriate toys and activity centers so each child is fully engaged and enjoying each day.

Bumble Bees: 2 years - 3 years

Our Bumble Bee room allows children more opportunity for growth and development through the use of activity centers and structured playtime. Circle time and teacher led activities also become a larger part of the daily schedule. Greater independence emerges at this age and children are given opportunities to explore and learn with little interference. Another big milestone of this year is potty training. Our staff is well trained in this area and work closely with parents to help their child reach this important goal.

Butterflies: 3 years – 4 years

The Preschool Program at Giggle and Grow Child Care is exceptional. Our curriculum was designed to meet the developmental and social needs of children at this stage in development. Language Arts, Math, Music, and Science concepts are presented in fun and exciting ways that encourage self-discovery and confidence. The use of songs, games, and art projects ensure that children are learning in a fun and enriching environment. Please see the Preschool Schedule for more information.

Grasshoppers: 4 years-6 years

Our Pre-Kindergarten classes use the Houghton Mifflin Pre-K Curriculum. Houghton Mifflin PRE-K is a hands-on, minds-on curriculum that is based on scientific research including those defined by Early Reading First, Head Start, the National Association for the Education of Young Children, the International Reading Association, the National Council of Teachers of Mathematics, and several state frameworks. In addition, the following research was used for program development:

- **Eager to Learn: Educating our Preschoolers** National Research Council
- **Preventing Reading Difficulties in Young Children** National Research Council
- **From Neurons to Neighborhoods: The Science of Early Childhood Development** National Research Council Institute of Medicine
- **Learning to Read and Write: Developmentally Appropriate Practices for Young Children** Susan B. Neuman, Carol Copple, and Sue Bredekamp
- **Handbook of Early Literacy Research** Edited by Susan B. Neuman and David K. Dickinson
- **Effective Early Childhood Programs** Edited by Susan H. Landry

Aligned with key Pre-K learning goals, this curriculum provides children with the foundational skills they need to succeed as lifelong learners.

Transportation

Giggle and Grow Child Care will not provide any type of transportation service. If field trips are planned, parents will be asked to provide transportation or a charter service will be used.

Sick Child Policy

We believe that most people prefer to be home in a comfortable environment when they are ill; this is especially true for children. We also believe that it is irresponsible, and sometimes dangerous, to knowingly expose others to an illness. For these reasons, we ask that no sick children attend Giggle and Grow Child Care.

Symptoms that would exclude a child from care include:

- * Fever of more than 100 degrees
- * Unexplained Rash or Sore
- * Discharge from eyes, ears or nose
- * Vomiting or Diarrhea

- * Productive cough or dry cough lasting more than 1 week without doctor attention
- * Any illness or injury that keeps a child from participating in regular activity

Should your child develop any of these symptoms while in our care, he or she will be isolated and a parent will be contacted and required to pick him or her up immediately. Children must be symptom free for **at least 24 hours** before returning to Giggle and Grow.

Medication Administration & Emergency Procedures

All staff members at Giggle and Grow Child Care are certified in Infant and Child CPR & First Aid. If required we will administer medical attention to the level of our training. Parents will be notified of any minor injuries through an "Ouch Report". If further emergency care is necessary, 911 will be called and the parent will be notified immediately.

Over the counter or antibiotic medications will not be administered at Giggle and Grow Child Care. Medications are only administered for life threatening conditions (Example: Epipens or inhalers). In these situations, the medication must be brought in its original container with a prescription label that includes the child's name, doctor's name, medication name, required dosage, expiration date, and instructions for administering. A Permission to Administer Medication form must be filled out completely and signed by the parent.

Pesticide Application

We work with a pest control company that uses green products that are made to be safe for children and pets. Before any pesticide is applied parents will be notified at least 48 hours prior in writing through a posting on the lobby door. All applications are completed on the weekends when children are not present.

Insurance

Giggle and Grow Child Care carries child care liability insurance in excess of State requirements. Evidence of liability insurance is available onsite for viewing at parents' request.

Discipline Policy

Children learn through constant exploration and experimentation. At Giggle and Grow Child Care, we are committed to providing a safe environment for learning. We are strong proponents of positive reinforcement. Each day your child will be rewarded in different ways for positive behaviors. Children will not be allowed to hurt themselves or others. Hitting, kicking, biting, etc. will be dealt with on a case-by-case basis to determine the best course of action. Possibilities include: redirection, help solving the problem, and parent conference. Parents will always be kept informed and involved. We expect that all parents are willing to work with their teacher and their child to create the best atmosphere for all of the children.

Meals and Nutrition

We provide breakfast, lunch, and a healthy afternoon snack for children over the age of one. Our lunches are catered each day by AZ School Meals. We follow all U.S.D.A. and NAEYC guidelines for

nutrition. ***We ask that you do not bring any candy, gum, or soda to Giggle and Grow. To ensure the safety of all children we are a PEANUT FREE school.***
