

FEBRUARY

Ms. Hafsa

Love is in the air! Since Valentines Day is coming up we will be having a small class party! You are more than welcome to bring treats as we will be passing around treats in our love baskets in class!

Monthly Theme: We Love You Bunches & Dental Health

Classroom News

This month we will talk about how much we care and love our family and friends! We are also going to learn about some great ways we can show we care for our loved ones! Don't forget about dental health, we are going to learn about our teeth and how to clean them!

Our Learning Goals

Letters: V, R

We will learn each letters sound, how to write them, and words that begin with these letters.

Sight & Sounds:

Sight Words: Of, On, See

Phonogram Sounds: Y & Z

We will learn to spell our names, finding our sight words in books, and practicing our word sounds.

Shapes & Numbers:

Shape: Heart

1-20 and adding and recognition.

Sensory & Science:

Toothbrush sensory, Heart

Reading & Singing

We will be singing: Brush Your Teeth, Skidamarink, & If You Love Me and You Know It!

We will be reading: I Love You to Pieces, Little Blue Trucks Valentine, & Brush, Brush, Brush!
